Station Mangalore,S.K ....., *Dated the* 9th April ..... 1935.

From (Name) M.R.Ry.A.B.Shetty Avargal, M.L.C.,

(Designation) President,District Board, South Kanara

To The Secretary to the Government of Madras,

Local Self-Government Department.

Sir,

(4)

Adverting to para 4 of G.O.No.103 P.H.,dated 16th January 1935, requesting the District Board to consider the question of converting the L.F.Dispensary at Sullia into a Rural Dispensary or transferring it to another place, I have the honour to submit the following:-

In reply to Government Memorandum No.38585-1D,2-F. ., dated 23.9.1934, the information furnished in respect

of L.F.Dispensary, Sullia regarding daily average -- attendance of patients in 1931,1932 and 1933, was -- incorrect as the daily average attendance of new patients only was taken into account, whereas for other medical institutions the daily average of old and new patients was taken int, account. The average noted in the statement should have been as follows:-

Years.	Out-patients	Remarks.
1931	76.1	The rate noted in the state-
1932	59.4	ment submitted to Government
1933	73.3	being 29.67,32.49 and 37.35 for 1931,1932 and 1933 respectively.

I enclose a comparative statement showing the total number of out-patients treated and the daily average attendance at the regular L.F.Hospitals and Dispensaries for the last six years. When compared with the statement it is seen that there are other dispensaries where the total number of patients treated is less, than that at Sullia Dispensary, as shown below:-

Years.	Sullia.	Barkur.	Kadaba.	Moodbidri.
1931	10065	8689	8031	9618
1932	11013	9455	8245	9577
1933	12661	11987	7634	9960

The L.F.Dispensary at Sullia was started in the year 1887, to serve the needs of the interior portions of Puttur Taluk- a highl malarial part of the -- District. The Boara has built a pucca building with emergency wards and quarters for the medical officer.

The situation of Sullia also justifies the existence of a regular dispensary, there being no other medical institution within a distance of 34 miles.

From the facts explained above, there is ample justification to retain the existing dispensary at Sullia as a regular dispensary.

I therefore request that Government may kindly be pleased to modify their orders issued in para 4 of G.O.No. 103,P.H., dated 16.1.1935 and sanction the continuance of the regular L.F.Dispensary at Sullia.

I have the honour to be,
Sir,
Your most obedient servant,

President,
S.K.District Board.

89. Read Government Order No 103 P.H.dated 16.1.1935 requesting the District Board to consider the question of converting the Local Fund regular dispensary at Sullia, into a Rural Dispensary or of transferring it to another place in view of the poor daily average attendance.

Read this Office Ref 11625 A4/34 dated 9.4.1935 requesting the Government to modify the orders issued in the above Government Order for the reasons stated therein.

Read also Government Memorandum No 17038/1 D 1 P.H.dated 25.4.1935 requesting the President to place the matter before the Board and submit through the Surgeon General a copy of its resolu-tion.

Resolution. In view of the highly unhealthy area served by the dispensary which is one of the oldest institutions under the Board the Board is not in favour of its transfer or reduction to the status of a rural dispensary.

Reference: Letter Ref.-C.No.11625/A4/34 dated 9th July 1935 from the President, District Board, South Kanara to Government regarding the continuance of the Local Fund Dispensary at Sullia.

Forwarded.

2. In view of the daily average number of outpatients (new cases only) treated during 1934 and the first six months of 1935, viz., 35.62 and 36.04 respectively (old and new combined 70.19 and 75.57 respectively) and the highly malarial area served by the Dispensary, the District Medical Officer, South Kanara recommends the continuance of the dispensary at Sullia as a regular one. The District Medical Officer further adds that it is one of the oldest institutions under the District Board situated midway between Mercara and Puttur and that there are no other intervening dispensaries. I agree with the District Medical Officer and recommend the continuance of the Local Fund Dispensary at Sullia as a regular one.
